ROMERY - FRANCE

Blanc De Chardonnay

From the 4 terriors of Romery, Bassuet, Fleury La Rivière, and Aÿ, the Blanc De Chardonnay is 100% Chardonnay; delicate and refined, with floral aromas and notes of toasted bread and honey. The cuvée is blended with 20% of wine from the oldest Chardonnay vines that has been aged in barrel. The palate express great finesse, silky texture, and a wonderful lemony freshness. The finish is bright and lively.

Champagne Tribaut Schloesser was founded in 1929 in the heart of the Champagne region, very near Epernay, in the village of Romery. For four generations, the Tribaut Family has produced impressively delicate and refined Champagnes. The estate's vineyards are situated in the best locations between the Montagne de Reims and the Marne Valley.
