

# MONDILLO<sup>®</sup>

CENTRAL OTAGO • NEW ZEALAND

## THE FAMILY TEAM

### James

Originally from Wales, in the United Kingdom, James has been growing grapes in Central Otago with Domenic for the past 17 years. James is an ultra long distance mountain runner with a competitive attitude, has a passion for skiing, the outdoors and a lover of great wine.

### Chris

A mechanical genius, Chris is a welder, inventor and an obsessed 'fix-it' person. Chris keeps an eye on any piece of plant or equipment that has a moving part. Chris is a true thinking man behind the tractor wheel, ensuring that everything works perfectly 24/7.

### Jean

Originally the owner of a sheep and cattle ranch, Jean loves life working outdoors amongst the vines. An avid ice climber and obsessed back country skier, Jean has summited the highest peak in New Zealand's Southern Alps, and spends her vacation time between the USA and NZ ski resorts.

### Richard

In addition to growing grapes, he also has his hands in the stone fruit orchard, the vegetable garden – anything growing is his passion. Life is to be celebrated and enjoyed, and in Richard's case, always with a sense of humor.

### Bella

A 4-year-old black and white, English Springer Spaniel. Bella is our vineyard bird dog, and rabbit catcher who enjoys nothing more than bringing back these gifts to our various staff members in return for a treat. Bella also acts as welcoming host to anyone who turns up at the Mondillo Cellar Door Tasting Room!
